MEADOW BROOK KENNELS**

**Inspection
Type: ROUTINE INSPECTION
Date: DEC-11-2001**

3.4 (b) (3)

OUTDOOR HOUSING FACILITIES.

Shelters in outdoor facilities must be provided with a wind break at the entrance. Two cocker spaniel shelters on the west side of new building do not have a wind break. A wind break needs to be provided at the entrance to the shelter box.

To be corrected by: 12-15-01
